## Perth's Banksia Woodlands: *precious and under threat*

Rich in biodiversity from treetops to leaf litter,  
yet so little known and valued.

This one-day symposium aims to equip you to be an advocate for our  
unique woodlands and their wildlife so our grandchildren can enjoy them.

**Friday 25<sup>th</sup> March 2011**

8:30 am to 4:30 pm

Wollaston College Conference Centre  
Wollaston Road, Mount Claremont (UBD 266 F14)

Register at [ubc@iinet.net.au](mailto:ubc@iinet.net.au) or phone Amrit for more
